Waterford Estuary Chart No. 2046

To all Ship Owners, Shipmasters, Agents, Fishing Vessels, Pleasure Craft users, Seafarers and Fishery Organisations.

Remedial Works to Wharf Structure at Belview Port

GABE Ireland Ltd commenced maintenance works on the jetty at Belview Port. In order to carry out these works, scaffolding has been suspended from the underside of the wharf, which will extend further down the jetty as work progresses.

Scaffolding protruding beyond the ends of the jetty will be marked by a quick-flashing orange light.

These works are expected to continue for some months.

All vessels approaching the area of operations should proceed with caution, at Slow- No Wake Speed
