Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Dredging Campaign at Duncannon

On or about Tuesday the 15th January, the trailer suction hopper dredger “Freeway” will commence dredging operations in the area of Duncannon Bar. Dumping will take place at an approved site south west of Hook Head.

The vessel will maintain a continuous VHF watch on Channels 14 & 16, and will display regulation shapes and lights as per I.R.P.C.S. All vessels approaching the area of operations should communicate with the vessel on Channel 14 and proceed with caution.

All mariners are reminded of their responsibilities under the International Collision Regulations.

The dredging is expected to last approximately 3 days.
