

Notice to Mariners No. 04 of 2020

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Navigation Channel Controlling Depths

Notice is hereby given that survey results received 18/03/2020 identify the minimum depth in the Navigation Channel at Cheekpoint Lower Bar as 4.8m.

Maintenance dredging to restore depth in the Channel is expected to take place within the coming weeks.

Captain Darren Doyle
Harbour Master
