

Notice to Mariners No.6 of 2018

Waterford Estuary, Chart No. 2046

To all ship owners, shipmasters, Agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Marine Site Investigation -- Boreholes / Vibro-Cores.

On Wednesday 20th / 21st June 2018, the vessel “Fasnet Sound” will commence working operations from Duncannon Strand across the river towards Passage Strand.

The vessel will maintain a continuous VHF watch on Channels 14 & 16, and will display regulation shapes and lights as per I.R.P.C.S. All vessels particularly those engaged in fishing approaching an area of operations should communicate with the multicat on Channel 14 and proceed with caution.

All mariners are reminded of their responsibilities under the International Collision Regulations. All vessels are requested to give the dredger a wide berth and keep a sharp lookout.
