

## **Notice to Mariners No. 06 of 2021**

### **Waterford Estuary Chart No. 2046**

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

#### Navigation Channel Controlling Depths

Notice is hereby given that survey results of a monitoring survey identify the minimum depth in the Navigation Channel at Duncannon Bar as 5.8m.

Maintenance dredging to restore depth in the Channel is expected to take place within the coming weeks.
