

Notice to Mariners No. 07 of 2019

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Dredging Campaign

On or about Sunday the 17th March, the trailing suction hopper dredger “Freeway” will conduct dredging activities in the vicinity of Belview, Cheekpoint and Duncannon Bar. Disposal will take place at an approved site south west of Hook Head.

Dredging will be followed by a bed levelling campaign by the vessel “Fastnet Sound”.

The vessels will maintain a continuous VHF watch on Channels 14 & 16, and will display regulation shapes and lights as per I.R.P.C.S. All vessels approaching the area of operations should communicate with the vessels on Channel 14 and proceed with caution.

All mariners are reminded of their responsibilities under the International Collision Regulations.

The campaign is expected to last until approximately 06th April.
