

Notice to Mariners No. 07 of 2021

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Maintenance Dredging Campaign

On or about Thursday the 22nd of April, the vessel Amazone will conduct dredging activities in the vicinity of Duncannon Bar, Cheekpoint, and Belview. Disposal will take place at an approved site south west of Hook Head.

Dredging will be followed by a bed levelling campaign by the vessel "Fastnet Sound".

The vessels will maintain a continuous VHF watch on Channels 14 & 16, and will display regulation shapes and lights as per I.R.P.C.S. All vessels approaching the area of operations should communicate with the vessels on Channel 14 and proceed with caution.

All mariners are reminded of their responsibilities under the International Collision Regulations.

The campaign is expected to last approximately 28 days.
