

Notice to Mariners No. 10 of 2022

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Pontoon works at Cheekpoint Harbour

Initial works to install a pontoon at Cheekpoint Harbour are to begin week commencing 20th June 2022. Works will be carried out by the vessel “Kismet” and a support rigid-hulled inflatable boat (RHIB). The vessels will maintain a continuous VHF watch on Channel 14. The Kismet will be restricted in its ability to manoeuvre and will display regulation shapes and lights as per I.R.P.C.S.

All vessels approaching the area of operations should communicate with the vessels on Channel 14 and proceed with caution, giving them a wide berth.

All mariners are reminded of their responsibilities under the International Collision Regulations and are requested not to anchor or moor in the vicinity of the works.

This Notice will be withdrawn when works are completed.

Captain Darren Doyle
Harbour Master
