

Port of Waterford

Notice to Mariners No. 11 of 2022

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Diving Operations

All Mariners are hereby advised that diving operations will take place around High Water on Wednesday 22nd June at the locations show in Appendix A. Operations will be conducted from the vessel Orinoco; the vessel will display International Code Flag Alpha and will maintain a listening watch on VHF 14 and 16 at all times.

All vessels approaching the area of operations should communicate with the vessel on Channel 14 and proceed with caution, giving it a wide berth.
