

Notice to Mariners No. 08 of 2020

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Data Monitoring Buoys

Two monitoring buoys will soon be deployed in the estuary by the vessel Fastnet Sound in the following positions:

1. 52° 15.55'N 007° 2.10'W
2. 52° 16.00'N 006° 58.74'W

The approximate locations are indicated on the chart extracts below.

The buoys are IALA Special Marks, yellow in colour, bearing a yellow 'X' topmark and with the light characteristic 1 Flash Yellow 6 seconds.

The buoys will remain on station throughout 2020.
