

Notice to Mariners No. 05 of 2023

Waterford Estuary Chart No. 2046

To all ship owners, shipmasters, agents, fishing vessels, pleasure craft users, seafarers and fishery organisations.

Navigation Channel Controlling Depths

Notice is hereby given that results of a monitoring survey identify the minimum depth in the Navigation Channel at Duncannon Bar as 5.5m.

Vessel Masters remain at all times responsible for assessing a suitable draught for their vessel and to ensure sufficient Under Keel Clearance.
